

Monrovia Bands

Dear friends,

We are collecting sponsorships on behalf of the Monrovia Band for the 2020-2021 school year. Sponsorships are important for the band due to the costs of the activity and, more importantly, to help with the loss of our spring fundraisers. We have five sponsorship levels available to help out the group this year. Platinum is a \$500.00 sponsorship, Gold for \$400.00, Silver for \$300.00, Bronze for \$200.00, and Patron of the Arts for \$100.00. The costs for a marching band include music arrangements (\$6,000.00), visual arrangements (\$4,000.00), props (4,500.00), transportation (\$2,800.00), permissions to arrange (\$1,200.00), uniforms (\$2,000.00), flags (\$2,500.00), to name a few. We are sustained on the kindness and generosity of our supporters. Whatever is not raised through various fundraisers and donations is split among each band member to pay for participation.

I certainly hope you will consider helping the Monrovia Band this year. We were selected as one of the Best Communities for Music Education in the United States each of the past two years for a reason. It is through the support of in all areas that we earn that recognition and you are a part of it. Please consider a donation to help the group. Send your donation with checks made out to Monrovia Band Boosters to:

I thank you for your consideration and your support. I know our band will strive to continue to represent the community with pride and a level of excellence that has been a Monrovia tradition.

Sincerely,

Brian Willett
